**REPORT FROM THE LOCAL REPRESENTATIVES COMMITTEE**

For the past four years I have had the pleasure of chairing the Local Representatives Committee. I would like to thank and acknowledge each Local Representative for the time, commitment and enthusiasm she or he has contributed to the UVic PEA. We are very fortunate to have such a remarkable group of people working on behalf of all our members across the campus.

One of the Local Reps most important duties is keeping in contact with our members. At a recent new staff orientation, the UVic Chapter Chair was told by new members that they not only knew, but had met their Local Reps – a positive reflection of the ongoing work of these important people. Throughout this past year the Local Reps have provided information and updates, as well as advice and assistance to members. In February, we relied on the Local Reps to help promote the February Blues Bash, our most successful event to date.

In June, we held a special LR training with PEA Staff Officer Tony Bute. I would like to take this opportunity to thank Tony Bute and all the members of our UVic Chapter Executive for their active support of the Local Reps.

The following is a list of this past year's representatives– when there has been a change in LR, the previous representative's name appears in brackets:
