

## **PEA Seminars Committee 2004 AGM Report.**

This years Committes members are Inez St. Dennis, Louise Carlow, Sheryl Karras, Jane Kovach , Jennifer Margison and Bert Annear (chair). I want to thank all the committee for their support throughout the year. Activity for the Seminars Committee was very slow this year with limited number of sessions in the traditional sense. The year began well with a flurry of activity in the new year, but slowed down to a trickle for the end of the year. A very successful Travel Talks series was developed to share pictures and experiences from other countries and cultures. Unfortunately in the later part of the year we lost a long standing committee member, Jane Kovach. Her computer knowledge and experience were a great benefit to the committee in the past years and she will be sorely missed. We wish you all the best in your other pursuits. Due to Medical Leaves and continued illness, the chair Bert Annear has not been as effective as in previous years in drumming up support and ideas from the membership.
