

Local Representatives Committee 2006

The UVic PEA Local Representatives Committee (<http://web.uvic.ca/uvicpea/lrlist.htm>) is made up of the nineteen PEA Local Representatives who volunteered to represent the PEA in each area of the campus and an executive member who chairs the committee. These men and women are the front line of the PEA and are the first source of information about our Union and its activities for UVic PEA members.

Our Local Representatives help the PEA contact new staff members when they join the Association and contribute to membership records maintenance, they help in communicating with members, particularly during critical times of bargaining or strikes by other unions at UVic, they assist individuals with grievances or appeals and they play a watchdog role by helping the PEA to monitor contract violations.

The UVic PEA Executive met with our Local Rep meetings on March 7th, 2006, to discuss bargaining and Oct 24th, 2006, when the implementation of the Job Evaluation results was the main topic.

I'd like to thank those who served as Local Representatives during the past year: Daphne Andrews, Pat Blonde, Kevin Burns, Charles Card, Katy Chan, Simon Churchill, Gordon Dash, LeAnne Golinsky, Sandra Guerreiro, John Hall, Leslie Kenny, Sheryl Karras, Laurie Keenan, Don Lovell, Anne Pappas, Chris Purse, Vickie Simmons, Ian Thornton and Caren Willms.
