

## **PEA SEMINARS COMMITTEE 2010 REPORT**

The Seminars Committee was pleased to present three seminars this past year.

1. “The Christmas story: History and Myth” presented by Dr. Skinner,
2. “Fun, Fitness and Fatness” presented by Dr. David Docherty and
3. An “Architectural Tour of Campus” lead by Dr. Christopher Thomas.

I would like to thank committee members Allison Eddy, Adrienne Holierhoek, Jacquie Hovgaard and Amelia Santos for volunteering their valuable time and bringing their creative ideas and enthusiasm to the committee.

As always, we welcome any suggestions of topics and speakers from the PEA membership.

Respectfully submitted,

Catherine Franz
