

Local Reps Committee Report:

UVic PEA Local Representatives continue to be our first point of contact for many of our members who have questions about our collective agreement and our union. Our local reps act to welcome new members to the PEA, they are a resource point for members and help to keep members informed of activities going in our chapter.

In addition to engaging with members in their specific areas, as a chapter, we try to bring all of our local reps together once or twice throughout the year to exchange information on our different areas across campus and to help our reps get to know each other. This year our Local Reps met as a group in April and September 2015. At our September Local Reps meeting we had a presentation from the UVic United Way team to learn more about the work that is done by the United Way. This presentation was to support the effort being made by the UVic United Way campaign to help engage our campus colleagues to increase the level of UVic participation rate with the United Way campaign to 10%.

Through the central PEA office, our local reps are provided with on-going training opportunities to better prepare and enable them to serve and assist our members. There was Basic Local Rep training session in May 2015 with 7 UVic member(s) attending. In October 2015 there was an Advanced Local Rep training session and we had 2 UVic LRs attend. This fall we were also invited to participate in a PEA noon-hour discussion to identify local reps education topics across all chapters of the PEA.

We have a number of new Local Reps this year and I would like to welcome Reece, Lalita, Melvin, Austin and Murray

On behalf of all UVic PEA members I would like to thank all of our local reps for their continued support toward our UVic PEA colleagues:

Building	Local Rep
Administrative Services Building (ASB)	<u>Matt Greeno</u>
Bob Wright Science Building	<u>John MacDonald</u>
Business & Economics	<u>Sheryl Karras</u>
Campus Security & Campus Services	<u>Victoria Lougheed</u>
