

## UVic PEA Chapter Local Reps Report 2022

This was a year with a lot of preparations and activity for bargaining as our Collective Agreement expired on June 30, 2022. Our UVic local representatives continue to be our first point of contact for many of our members who have questions about our Collective Agreement and our Association. Our local reps act to welcome new members to the PEA, are a resource point for members and help to keep members informed of activities going on in our chapter and to exchange information regarding member support.

We had three virtual Local Reps meetings on April 20, May 18, and June 15 where representatives presented updates and issues from members. The revised UVic Remote Work Arrangement (RWA) was also discussed and members of the Collective Bargaining Committee provided updates to our Local Reps. The UVic Chapter Executive and our PEA Labour Relations Officer, Sam Montgomery, also attended these meetings.

We would like to thank the list of current Local Reps for all their work. As you can see in the list below, there are a number of buildings that still need Local Reps. If you are interested in becoming a Local Rep and would like to find out more about this, please contact me at [kafka@uvic.ca](mailto:kafka@uvic.ca). The PEA also organised three half-day Local Reps Basic Training virtual workshops in October of this year.
