

flexibility! Understanding that not everything will go smoothly the first time. ✓

I will use support teams too ♥

look for ways to regularly connect informally with students and ways to help them connect with each other. ✓✓

✓ muddiest point!

I will use the 'ask for help button' option to support small groups and 'what's the muddiest point' wrap-up activity ♥♥♥♥ ✓

Opportunities for peer teaching: support groups, break out rooms, asynchronous discussion

tech fluency.. or more fluent

♥ Student Support Groupes ★

★ approach teaching as a learner

Setting clear classroom guidelines and boundaries ★
