

ANTH 367:

Heritage & Historical Archaeology Field Course: Visual Syllabus

Dates: 5-27 July 2023, Tue/Thu 9:30-2:20

Locations: COR B250 and Jewish Cemetery, 2750 Cedar Hill Rd

Course Description

Introduces students to the archaeological methods used in recording historical cemeteries using a hands-on approach. Students learn and practice a range of skills including data collection and management (field and lab), mapping and recording, archival research and project design and implementation. Located at the Jewish Cemetery in 2023.
