

# BIBLIOGRAPHY, INCLUDING WORKS CITED

The following bibliography includes works cited in the text, as well as others relevant to the topic of the moral status of animals. Most of the works listed can be classed as philosophy; the rest deal in one way or another with matters that bear on the philosophical debate. While extensive, this bibliography is not intended to be comprehensive. All works listed are in English, with one exception. Material that has appeared only in electronic form is not included, but many journal articles listed can be accessed on-line.
