

Making a website at UVic

Kelly Choo

mssystem@uvic.ca

or chook@uvic.ca

Why?

- ▶ Market yourself, your experiences and skills.
- ▶ Helps others in the department get to know you.
- ▶ Helps department recruit other students like you.

Two ways to do it at UVic

1. Code in HTML, CSS, Javascript etc and upload your files to the student web server <https://studentweb.uvic.ca>.
2. Use the Wordpress CMS software at <https://onlineacademiccommunity.uvic.ca>.

HTML, CSS, Javascript

- ▶ Learn from <https://www.w3schools.com>.
- ▶ Look at examples by viewing the page source of other websites.
- ▶ Sign-up and How-tos at <https://www.uvic.ca/systems/services/web/web-hosting-students>.
- ▶ Your website will be https://studentweb.uvic.ca/~your_netlinkid

Wordpress at

<https://onlineacademiccommunity.uvic.ca>

▶ Getting started on OAC

<https://onlineacademiccommunity.uvic.ca/what-is-the-oac>

▶ Your website will be

https://onlineacademiccommunity.uvic.ca/your_netlinkid.
