What strengths did this instructor demonstrate that helped you to learn in this course?

The case studies she described in class provided a practical way to remember the theoretical concepts being taught.
She provided exam review (crosswords, clues) on Moodle that students could contribute to.
Discussions on Moodle also helped a great deal, if someone had a question ~~after~~ after the lecture was over, that other students, TAs, or McGuire could answer.

Please provide specific suggestions as to how the instructor could have helped you learn more effectively.

I can't think of any.

What are the main strengths of this course?

Idea reinforcement – case studies, review w/ iClickers on Fridays...
Entertainment – the material + the way it's presented was really interesting.

Please provide specific suggestions as to how this course could be improved.
