VP External

- Got an email from John Suyte, Program Coordinator at EGBC
 - I hope you're enjoying the summer so far.
 - I wanted to reach out and introduce myself. I am the student program coordinator here at Engineers and Geoscientists BC. I'm starting to plan my fall and winter student events and am wondering if you were interested in co-organizing a presentation/info session on an overview of Engineers and Geoscientists BC, basic registration requirements to apply as an EIT, life as an emerging engineering professional, and the benefits of joining the student program. Would this presentation be of interest?
 - I'd like to try and get some dates nailed down in September at the start of the fall semester.
 - Talk to Leo S.
 - I will not be on the UVSS council
 - anger at this entire situation >:(
 - We are indeed registered for PM, I have the invoice
