

Cardi et al. (2014) Concept	NSIR (Sadownik, 2025) Application
<b>Social Rank / Submissiveness</b>	<b>Factor 1 (Kinship):</b> Replaces hierarchical "rank" with horizontal, peer-based kinship.
<b>Other as Shamer (Social Shame)</b>	<b>Item 7 (Vulnerability):</b> Measures the sense of safety from social judgment and body-shame.
<b>Self-Evaluation / Criticism</b>	<b>Item 3 (Mind Attribution):</b> Validates a form of understanding (telepathy) that is supportive rather than critical.
<b>Social Threat Sensitivity</b>	<b>Item 8 (Reliability):</b> Reduces threat through predictable, non-competitive social behavior.
