

## **D. Stephen Lindsay**

### **Curriculum Vitae**

#### **Positions**

##### **Current**

Professor and Chair  
Department of Psychology  
University of Victoria  
P.O. Box 1700 STN CSC  
Victoria, B.C. V8W 2Y2

Tel: (250) 721-8593  
Fax: (250) 721-8929  
Email: [slindsay@uvic.ca](mailto:slindsay@uvic.ca)  
Web: <http://web.uvic.ca/psyc/lindsay/>  
Orcid: [orcid.org/0000-0002-6439-987X](http://orcid.org/0000-0002-6439-987X)

##### **Previous**

2019      Leverhulme Visiting Professor, Department of Psychology. Portsmouth University  
2014-2015    Acting Chair, Department of Psychology, UVic  
1995-1997    Unilever Senior Research Fellow, School of Psychology, University of Wales-Bangor  
1994-1997    Associate Professor of Psychology, University of Victoria  
1991-1994    Assistant Professor of Psychology, University of Victoria  
1990-1991    Assistant Professor Leave/NSERC Postdoctoral Fellow, McMaster University  
1987-1991    Assistant Professor of Psychology, Williams College

#### **Degrees**

B.A. in psychology, Reed College (1981)  
M.A. in cognitive psychology. Princeton University (1985)  
PhD. In cognitive psychology, Princeton University (1987)

## Research Interests

Broadly, memory and cognition. I am especially interested in determinants of the subjective experience of remembering, source monitoring (the decision-making processes by which people identify the origins of memories), age-related changes in memory, and the application of theories concerning these processes to everyday memory phenomena (e.g., eyewitness memory).

## External Grants *(Canadian dollars unless otherwise noted)*

Natural Sciences & Engineering Research Council of Canada Discover Grant, 2016-2022, \$405,000.

Natural Sciences & Engineering Research Council of Canada Discover Grant, 2011-2016, \$155,000

University of Flinders Faculty of Social and Behavioural Sciences Faculty Research Grant (PIs S. M. J. Janssen and MM Arnold; I am an unofficial co-PI; AU\$13,000).

Marsden 2011-2014 The power of the trivial: How do tangential photographs create immediate illusions of belief and memory? (PI M.A. Garry; AIs D.B. Bernstein, E. Newman, D.S. Lindsay). Marsden Fund (\$328,000 direct).

Australian Research Council Discovery Project, 2010-2013, \$424,000 AUD (co-PI with Neil Brewer and Nathan Weber).

Natural Sciences & Engineering Research Council RTI, \$150,000 (co-PI w/ Clay Holroyd).

Social Sciences & Humanities Research Council, \$107,000 (PI, with Liz Brimacombe and John Turtle), 2009-2012.

Netherlands Organization for Scientific Research open competition (funding for graduate student), €177,000 (2007-2011), with Harald Merckelbach and Elke Geraerts.

Natural Sciences & Engineering Research Council grant, \$179,045 (2005-10).

Social Sciences and Humanities Research Council, \$150,000 (2004-07), with Liz Brimacombe and John Turtle.

Natural Sciences & Engineering Research Council grant, \$201,000 (1999-05).

National Science Foundation grant, US\$83,971 (1997-99), co-PI with Debra Poole.

NATO Advanced Studies Institute on "Recollections of Trauma;" US~\$100,000 (1996), co-Director with J. Don Read.

Natural Science & Engineering Research Council operating grant, \$100,000 (1995-99).

National Science Foundation grant, US\$90,000 (1994-96), co-PI with Debra Poole.

Natural Sciences & Engineering Research Council operating grant, \$60,000 (1992-95).

National Science Foundation grant, US\$93,735 (1991-93), co-PI with Colleen Kelley.

Natural Sciences & Engineering Research Council postdoctoral fellowship (1990).

## Awards and Honours

Fellow of the Association for Psychological Science since 2005.

University of Victoria's Faculty of Social Sciences Teaching Excellence Award (2006).

American Psychological Association Young Investigator Award in Experimental Psychology (1995): Human Perception & Performance.

## Publications

## Papers and Posters Presented at Conferences (updated to 2021)

Barden, J., Fallow, K.M., & Lindsay, D.S. (2021). *Recognition memory response bias for line drawings, photos, and words representing the same objects*. Poster presented at the Association for Psychological Science annual convention (virtual).

Baldassari, M. J., Moore, K. N., Lindsay, D. S., Hope, L., Hyman, I. E., & Mah, E. Y. (2021). The effect of pre-crime instructions on eyewitness identification. Paper presented at the virtual meeting of the Society for Research on Memory and Cognition.

King-Nyberg, B., Grannon, K., Friesen, T., Mah, E.Y., Rasor, S.A., Wade, K.A., & Lindsay, D.S. (2021). Online co-witness discussions can lead to memory conformity (Study 2). Poster presented at Society for Applied Research in Memory & Cognition (Virtual).

Wade, K.A., Rasor, S.A., Spearing, E., King-Nyberg, B., Mah, E.Y., & Lindsay, D.S. (2021). Online co-witness discussions can lead to memory conformity (Study 1). Poster presented at Society for Applied Research in Memory and Cognition (Virtual).

Mah, E.Y., & Lindsay, D.S. (2021). Variability Across Subjects in Free Recall Versus Cued Recall. Poster presented at: Association for Psychological Science (Virtual).

Fallow, K.M., Kitagami, S., Takeno, M., & Lindsay, D.S. (2020). *A cross-cultural replication of materials-based bias effects in recognition memory*. Poster presented at the annual meeting of the Psychonomic Society (virtual).

Mah, E.Y., Campbell, A., Tamburri, C., Grannon, K.E., & Lindsay, D.S. (2020). A Direct Replication of Popp and Serra (2016, Experiment 1): Better Free Recall and Worse Cued Recall of Animal Names than Object Names. Poster presented at: Psychonomics (Virtual).

- Fallow, M., & Lindsay, D. S. (2018, Nov.). Beyond C and d': Exploring materials-based recognition memory effect with receiver operating characteristics. Poster presented at the annual meeting of the Psychonomic Society, New Orleans, LA.
- Lindsay, D. S. (2018, July). Open science and modern publishing. Paper presented to the Open Science Pre-Conference Workshop (funded by MIT Press) prior to the annual meeting of the CSBBCS, St. Johns, NF, Canada
- Lindsay, D.S., & Gernsbacher, M. A. (2018, June). *Opening your science: Simple steps toward more transparent and replicable research*. Invited Mater Lecture presented at the Internal Congress of Applied Psychology, Montreal, Quebec.
- Lindsay, D. S. (2018, May). *19 ways editors can promote transparency*. Paper presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Lindsay, D. S. (2018, May). *A journal editor's perspective on data sharing and transparency*. Paper presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Lindsay, D. S. (2018, May). *Replicability in psychological science*. Invited address at the annual meeting of the Western Psychological Association, Portland, OR.
- Lindsay, D. S. (2018, May). *Replicability in psychological science*. Invited address at the annual meeting of the Rocky Mountain Psychological Association, Denver, CO.
- Lindsay, D. S. (2017, Nov.). What can journal editors do to promote transparency? Paper presented at symposium I organized for the annual meeting of the Psychonomic Society, Vancouver, B.C., Canada.
- Lindsay, D. S. (2017, Aug). *Replicability in psychological science*. Invited address at the annual meeting of the British Psychological Society – Cognitive Section, New Castle, England.
- Lindsay, D. S. (2017, May). *The Editor's perspective: What happened with Psychological Science began encouraging the use of the new statistics?* Paper presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Lindsay, D. S. (2017, May). Moderator of "Getting Comfortable with Big Data." Symposium presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Baldassari, M., & Lindsay, D. S. (2017, May). A direct test of absolute versus relative judgments in lineup decisions. Poster presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Fallow, K., Philips, S., & Lindsay, D.S. (2017, May). *Conservative response bias in recognition memory for faces, photographs, and paintings*. Poster presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Venegas, C. L., Kantner, J., Fallow, K/, Baldassari, M., & Lindsay, D. S. (2017, May). Does perceived memorability drive conservative bias in recognition of paintings? Poster presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Lindsay, D. S. (2017, March). Shaping journal editorial policy to increase replicability and transparency.

Paper presented at the annual meeting of the American Association for the Advancement of Science, Boston, M.A.

Williams, H. L. & Lindsay, D. S. (2016, Nov.). *Recognition sensitivity, confidence, and bias in continuous versus study-test recognition procedures*. Poster presented at the annual meeting of the Psychonomic Society. Boston, MA.

Lindsay, D. S. (2016, June). *Recognition memory response bias: Item effects*. Paper at the annual meeting of the Canadian Society for Brain, Behavioural, and Cognitive Science. Ottawa, ON.

Lindsay, D. S. (2016, June). *Replication in psychological science*. Paper presented at the annual convention of the Canadian Psychological Association, Victoria, B.C.

Baldassari, M. J., Kantner, J., & Lindsay, D. S. (2016, June). The difficulty of predicting hits with description-matched lineups. Poster presented at the annual convention of the Association for Psychological Science, Chicago, IL.

Fallow, K., Rabe, M. & Lindsay, D. S. (2015, Nov.). Recognition memory response bias for paintings, words, and faces. Poster at the annual meeting of the Psychonomic Society, Chicago, IL.

Lindsay, D. S. (2015, Aug). *Assessing eyewitness identification evidence*. Invited address to Division 3 at the annual convention of the American Psychological Association, Toronto, Canada.

Lindsay, D. S., & Fallow, K. M. (2015, Aug). The materials-based bias effect in recognition memory. Paper at the annual convention of the American Psychological Association, Toronto, Canada.

Azad, T., & Lindsay, D.S. (2015, June). *The effects of witness fatigue on misinformation*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.

Baldassari, M. J., Lindsay, D. S., Brimacombe, C. A. E. (2015, June). *How well do police assess the accuracy of eyewitness identification decisions?* Poster presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.

Baldassari, M. J., Kantner, J. D., & Lindsay, D.S. (2015, June). *Predicting lineup identifications from individual difference variables: The impact of proclivity to choose*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.

Cardwell, B. A., Lindsay, D. S., & Garry, M. (2015, June). *Photos increase feelings of understanding*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.

Cohen, A.-L., Silverstein, M., Weissman, N., Bernstein, D. M., & Lindsay, D.S. (2015, June). *Intending is believing: The impact of prospective memory on the false memory of task performance*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.

Lindsay, D. S. (2015, June). *Materials-based bias effects in old/new recognition memory*. Paper presented at the annual meeting of the Canadian Society for Brain, Behaviour and Cognitive Science, Ottawa, ON, Canada.

- Newman, E. J., Azad, T., Garry, M., & Lindsay, D. S. (2015, June). *Photos produce a rosiness bias when people make judgements about future events*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.
- Takarangi, M., Green, D., Strange, D., & Lindsay, D. S. (2015, June). *Measuring meta-awareness of intrusive thoughts about emotional events*. Paper presented at the annual meeting of the Society for Applied Research in Memory and Cognition, Victoria, BC, Canada.
- Silverstein, M., Cohen, A.-L., Weissman, N., Lindsay, D. S., & Bernstein, D. (2015, May). *Intending is believing: The impact of prospective memory on false memory of task performance*. Poster presented at the annual convention of the Association for Psychological Science, New York, NY.
- Azad, T., & Lindsay, D. S. (2014, Nov.). *Misleading suggestions of invisibility can lead people to not report previously witnessed event details*. Poster presented at the annual meeting of the Psychonomic Society, Long Beach, CA.
- Baldassari, M., Kantner, J., & Lindsay, D. S. (2014, Nov). *Proclivity to choose on face recognition predicts PTC on lineups*. Poster presented at the annual meeting of the Psychonomic Society, Long Beach, CA.
- Lindsay, D. S., Fallow, K., & Konieczny, M.(2014, Nov.). *Subject experiences of recognizing and not recognizing paintings and words*. Poster presented at the annual meeting of the Psychonomic Society, Long Beach, CA.
- Lindsay, D. S., Brewer, N., Weber, N., & Baldassari, M. J. (2014, May). *Improving and assessing eyewitness identification*. Paper presented at the annual meeting of the Association for Psychological Science, San Francisco, CA, USA.
- Baldassarri, M. J., Kantner, J., & Lindsay, D. S. (2014, May). *Proclivity to choose on lineups predicted to PTC on face recognition*. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA, USA.
- Williams, H. L., & Lindsay, D. S. (2013, Nov.). *Know versus familiar in recognition memory*. Poster presented at the meeting of the Psychonomic Society, Toronto, Canada.
- Lindsay, D. S., Kantner, J., & Fallow, K. M. (2013, Nov.) *Recognition memory response bias is conservative for paintings*. Paper presented at the meeting of the Psychonomic Society, Toronto, Canada.
- Azad, T., & Lindsay, D.S. (2013, Nov.) *Can people be lead to not believe in the occurrence of witnessed event details?* Poster presented at the meeting of the Psychonomic Society, Toronto, Canada.
- Baldassari, M. J., Kantner, J. D., Sheppard, J., Lindsay, D. S. (2013, Jun). *Estimating witness susceptibility to false positive identifications in culprit absent lineups*. Poster presented at meeting of the Society for Applied Research in Memory and Cognition, Rotterdam, Netherlands.
- Newman, E.J., Garry, M., Unkelbach, C., Bernstein, D.M., & Lindsay, D.S. (2013, Jun.) *Truthiness and falseness of trivia claims depend on judgemental contexts*. Paper presented at the meeting of the Society for Applied Research in Memory and Cognition, Rotterdam, Netherlands.
- Williams, H. L. & Lindsay, D. S. (2013, June). *Does assessing recollection influence confidence?* Paper

presented to the Canadian Society for Brain, Behaviour, and Cognitive Science, Calgary, Alberta.

Lindsay, D.S., Fallow, K.M, Kantner, J.D, Rosenberg, P., & Freeman, J.L. (2013, June). Why is recognition memory response bias conservative on paintings? Paper presented at the Annual Meeting of the Canadian Society for Brain, Behaviour and Cognitive Science (CSBBCS), Calgary, AB, Canada.

Baldassari, M. J., Kantner, J. D., Sheppard, J., Lindsay, D. S. (2013, Mar). *Predicting lineup identifications*. Poster presented at meeting of the American Psychology-Law Society, Portland, OR, USA.

Lindsay, D.S., Kantner, J.D., Baldassari, M.J., Rosenberg, P., Freeman, J.L, & Fallow, K.M. (2012, November). Conservative response bias in recognition memory for paintings. Poster presented at the Annual Meeting of the Psychonomic Society, Minneapolis, MN, US.

Azad, T., & Lindsay, D. S. (2012, Nov.). *False reports of not seeing event details*. Poster presented at the 53rd annual Psychonomic Society conference, Minneapolis, Minnesota.

Takarangi, M., Strange, D., & Lindsay, D. S. (2012, Nov.), *Meta-awareness of intrusive thoughts about trauma*. Poster presented at the meeting of the Psychonomic Society, Minneapolis, MN, USA.

Lindsay, D. S. (2012, Nov.). *Discussant for symposium on positive effects of false memories*. Presentation at the meeting of the Psychonomic Society, Minneapolis, MN, USA.

Lindsay, D. S. (2012, Nov). Organizer/chair of special session on improving the quality of psychological science. Presentation at the meeting of the Psychonomic Society, Minneapolis, MN, USA.

Kantner, J. D., Baldassari, M. B., Sheppard, J., & Lindsay, D. S. (2012, June). *Estimating witness susceptibility to false positive identifications in culprit absent lineups*. Poster presented at meeting of the Canadian Society for Brain, Behaviour and Cognitive Science, Kingston, ON.

Baldassari, M. J., Tweedy, B., Brimacombe, C. A. E., & Lindsay, D. S. (2012, May). *Investigating investigators: The effects of participant-witness lineup identifications on participant-investigators*. Poster presented at the 5th annual meeting of the International Investigative Research Group, Toronto, ON.

Newman, E. J., Azad, T., Garry, M., Lindsay, D. S. (May, 2012). *Tangentially related photos increase the truthiness of future scenarios*. Paper presented at the 24th Annual Convention of the Association for Psychological Science, Chicago, IL, USA.

Kantner, J., & Lindsay, D. S. (2011, Nov.). *Tests of trait-like consistency in recognition memory response bias*. Poster presented at the annual meeting of the Psychonomic Society, Seattle, WA.

Michael, R. B., Newman, E. J., Kantner, J., Bernstein, D. M., Lindsay, D. S., & Garry, M. (2011, Nov.). *Decorative photos produce a truth bias for unfamiliar positive judgments*. Poster presented at the annual meeting of the Psychonomic Society, Seattle, WA.

Azad, T., Lindsay, D. S., & Brimacombe, C. A. E. (2011, Nov.). *Subjective experiences accompanying memory conformity*. Poster presented at the annual meeting of the Psychonomic Society, Seattle.

- Newman, E. J., Azad, T., Garry, M., Lindsay, D. S., & Grimshaw, G. (2011, Nov.). *Photos can increase the truthiness of predictions about the future*. Poster presented at the annual meeting of the Psychonomic Society, Seattle, WA.
- Newman, E. J., Moloney, E., Bernstein, D. M., Lindsay, D. S., & Garry, M. (2011, June). *Intriguing effects of photo's on people's beliefs*. Paper presented at the Society for Research in Memory and Cognition, New York, NY.
- Azad, T., Newman, E. J., Garry, M., & Lindsay, D. S. (2011, June). *Can photographs lead people to accept claims about future events?*. Paper presented at the Society for Research in Memory and Cognition, New York, NY.

- University of Lethbridge, Lethbridge, Alberta (April, 1993).

## Editing and Reviewing

Editor in Chief, *Psychological Science*, 2016 – 2019

Interim Editor, *Psychological Science*, 2015-2016.

Associate Editor, *Psychological Science*, 2013-2015.

Action Editor upon occasional request for *JEP:G* (e.g., when Editor perceived conflict of interest between author and someone on her masthead), 2008-2015.

Editor, *Journal of Experimental Psychology: General*, 2002-2007.

Incoming Editor, *Journal of Experimental Psychology: General*, 2001.

Editorial boards: *Applied Cognitive Psychology*, 1996-present; *Experimental Psychology*, 2011 – present; *Journal of Experimental Psychology: Learning, Memory, & Cognition*, 1995-99; *Journal of Experimental Psychology: General*, 1996-00 and 2008-2013; *Journal of Memory & Language*, 1997-00; *Psychological Bulletin*, 1993-1994; *Psychological Science*, 2012.

Judge for the American Psychological Society's Shahin Hashtroudi Memorial Prize, 1995.

External examiner of MA theses: Lisa Barker of Trinity Western University, 1998; Tracy Gilbert of Lakehead University, 1998; Nicola Robertson, Victoria University of Wellington, NZ, 2000; Antonia Mantonakis, Simon Fraser University, 2002; Andrea D. Hughes, Simon Fraser University, 2002.

External examiner of PhD dissertations: C. Fyffe, Monash University, 1996; Rachel Sutherland, University of Otago, NZ, 1999; Lisa Destun, Lakehead University, 2000; Daniel Bernstein, Simon Fraser University, 2001; Karen Daniels, Georgia Tech University, 2002; Barry Cooper, UBC, 2004; Andrea D. Hughes, Simon Fraser University, 2005; Shahab Ghorashi, UBC, 2009; Alana Jonston, Deakin, 2011; Dario Rodriguez, John Jay, 2013; Ryan Fitzgerald, Regina, 2014; Alisha Coolin, 2015.

Grant review panel member for the Michael Smith Foundation for Health Research Career Population Health Research Evaluation Committee, 2007.

## Affiliations

Member of the Governing Board of the Psychonomic Society, 2007-2012

Publications Committee member, 2007-2008

Publications Committee Chair, 2009-2011

Chair, Search for new editor of *Psychonomic Bulletin & Review* 2008-2009

Transition Committee member, 2009-2010

HR Committee Chair, 2010-2010

Ethics Committee Chair, 2012-13.

Member of the Board, Society for Applied Research on Memory and Cognition, 1999-2007.

Member of the Publication Committee, Society for Applied Research on Memory and Cognition, 2009-2011, 2013-2016.

External Member, International Centre for Research in Forensic Psychology, University of Portsmouth, England

Member of:

- Association for Psychological Science (Fellow)
- Canadian Society for Brain, Behavioural, and Cognitive Science
- Psychonomic Society
- Society for Applied Research on Memory and Cognition
- Society for the Improvement of Psychological Science

## Teaching

I have taught introductory psychology; cognitive psychology; research methods and introductory statistics; advanced topics in memory; and professional development.

## Classes

- Professional Development 500 (UVic Spring 2009).
- Cognitive Seminar 577 (graduate seminar) (UVic, 2002, 2003, 2009, 2013, 2020, 2022).
- Cognitive Psychology 575 (graduate seminar) (UVic, 2002, 2013, 2020).
- Psychology Honours Seminar 499 (UVic, 2000, 2001, 2002, 2006, 2007, 2010, 2011).
- Introductory Psychology: Biological and Cognitive Emphasis 100A (UVic, 1998, 1999, 2008, 2009, 2010, 2011).
- Advanced Memory and Cognition 413A/451A (UVic, 1994, 1995, 1998, 2010, 2011, 2013, 2021).
- Cognitive Processes: Memory 576A (grad sem) (UVic, 1992, 1993, 1998, 2000, 2009, 2020).
- PSYC 191: Psychology in Contemporary Society: Eyewitness Memory (UVic, 2015, 2016)
- Cognitive Psychology 313 (UVic, 1992, 1993, 1994, 2000).
- Research Methods in Psychology 201 (UVic, 1991, 1993, 1994, 1997, 1998, 1999, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2013, 2014, 2015, 2016, 2017, 2018, 2020, 2021).
- Mind, Body, and Culture 006 (Williams College, 1989).
- The Ecology of Human Memory 324 (Williams College, 1989).
- Cognitive Psychology 221 (Williams College, 1988, 1989).
- Intro Psych 101 (Williams College, 1987, 1988, 1989).
- Experimentation and Statistics 201 (Williams College, 1987, 1988).

## Theses and Dissertations Supervised

Fallow, K. M. (2021). UVic dissertation. *Test Position Effects on Recognition Memory for Pictures and Words*.

Morgan Biron (2021) UVic honours thesis (co-supervised with Eric Mah). *The electronic cognitive interview for witnesses*.

Kelly Grannon (2021) UVic honours thesis (co-supervised with Eric Mah). *Cued versus free recall of animal names versus object names*.

Mah, Eric. (2020). UVic Masters thesis. Improving eyewitness identification effectiveness through the manipulation of judgment strategies.

Katyana Szabo (2018) (UVic honours thesis co-supervised with Kaitlyn M. Fallow). *Variability in false memories due to inconsistent coding schemes*.

Shalina Kara (2017). UVic honours thesis. *Individual differences in the other-race effect*.

Damian Page (2016). UVic honours thesis. *Individual differences in recognition memory*.

Catalina Dau (2015). UVic honours thesis (co-supervised by Mario Baldassari). *Exploring Behavioural Predictors of Eyewitness Lineup Identification Accuracy*.

- Tanjeem Azad (2014). UVic PhD dissertation. *The effects of suggested invisibility on memory.*
- Kaitlyn Blackwood (2014). UVic honours thesis (co-supervised with Tanjeem Azad). *Does perceptual elaboration affect memory conformity?*
- Alice Wilson (2014). UVic honours thesis (co-supervised with Tanjeem Azad). *Suggested invisibility: Leading people to mistakenly report not seeing visible details.*
- Kaitlyn Fallow (2014). UVic MSc thesis. *Characterizing the Materials-Based Bias Effect: A Robust Yet Mysterious Conservative Response Bias in Recognition Memory for Paintings.*
- Mario Baldassari (2013). UVic MSc thesis. *Predicting lineup identifications* (co-supervised with C. A. Elizabeth Brimacombe).
- Joseph Z. Sheppard (2012). UVic honours thesis. *Predicting false identifications in lineups with a 2AFC memory test.*
- Justin Kantner (2011). UVic PhD dissertation, *Response bias in recognition memory as a stable cognitive trait.*
- Byrona Tweedy (2011). UVic honours thesis, *Investigating investigators: The effects of participant-witness lineup identification decisions on participant-investigators.*
- Krista Friesen (2011), UVic MSc thesis, *Electrophysiological correlates of correct and incorrect eyewitness identification: The role of the N250 and P300 in real-world face recognition* (co-supervised with Jim Tanaka).
- Carla MacLean (2010), UVic PhD dissertation, *Investigating Industrial Investigators: Examining the Impact of A Priori Knowledge and Tunnel Vision Education* (co-supervised with C. A. Elizabeth Brimacombe).
- Sarah Bailey (2010), UVic honours thesis, *Investigating Investigators: Student-Investigators' Perceptions of Eyewitness Identification Decisions.* (co-supervised with C. A. Elizabeth Brimacombe).
- Cathy Shafer (2010), UVic honours thesis, *The Effects of Accuracy Feedback on Recognition Memory: Learning the Experimenter's Design.*
- Alyssa Louw (2010), UVic honours thesis, *Investigating Investigators: Tunnel Vision in Forensic Investigations* (co-supervised with C. A. Elizabeth Brimacombe).
- Tanjeem Azad (2009), UVic MSc thesis, *"I didn't see an iPod, but you did – so I'll say I did, too:" Exploring source memory and subjective experiences accompanying memory conformity* (co-supervised with C. A. Elizabeth Brimacombe).
- Cara Dunkley (2009), UVic honours thesis, *The self-reference effect in preschool children, as related to source monitoring and theory of mind.* (Co-supervised with Ulrich Mueller)
- Amanda Ferguson (2009), UVic honours thesis, *Investigating investigators: Examining the influence of student-eyewitnesses on student-investigators in stimulated criminal investigations.*

- Melissa Boyce (2008), UVic PhD dissertation, *Investigating investigators: Examining the Impact of Eyewitness Evidence on Student-Investigators*.
- Sara Cowan (2008), UVic honours thesis, *But what about jurors? How well can laypersons predict eyewitness accuracy and confidence?*
- Leora Dahl (2007), UVic PhD dissertation, *Investigating investigators: How presentation order influences investigators' interpretations of alibi and bystander witness evidence*.
- Myta-Lee Langton (2007), UVic honours thesis, *The forgot-it-all-along effect using background music as a context*.
- Elaine Blight (2007), UVic honours thesis, *Effect of feedback on recognition judgments of paintings*.
- Emily Pariseau (2006), UVic honours thesis, *Detail detectives: Investigating gender differences in eyewitness testimony*.
- Erron Benner (2006), UVic honours thesis, *Memory of remembering: Investigating the forgot-it-all-along effect using pictures*.
- Lara Woodman (2006), UVic honours thesis (co-supervised with Prof. Ulrich Mueller), *Do preschoolers show better memory for self-related materials?*
- Michelle M. Arnold (2005), UVic PhD dissertation, *I knew that answer before you told me, didn't I? Subjective experience vs. objective measures of the knew-it-all-along effect*.
- Jesse Elterman (2005), UVic honours thesis, *Eyewitness versus fingerprint evidence in investigators' appraisal of certainty*.
- Leora Dahl (2003), UVic MA thesis, *Investigating investigators: How witness identifications and other evidence influence investigators*.
- Vincenza Gruppuso (2003), UVic PhD dissertation, *I'd know that face anywhere!*
- Nelson Agostinho (2002), UVic honours thesis, *Remembering remembering part II: The investigation of the forgot-it-all-along effect using pictures*.
- Carla Merkel (2001), UVic honours thesis, *Adults' perceptions of children's eyewitness testimony*.
- Michelle M. Arnold (2001), UVic masters thesis, *Remembering remembering*.
- Jason Chan (2000), UVic honours thesis, *Fact or fiction: Effects of thematic similarity of misleading postevent information on eyewitness suggestibility*.
- Mark Rempel (2000), UVic honours thesis, *Feedback (null) effects on cued recall*.
- Reza Farivar (1999), UVic honours thesis, *The process dissociation procedure and the eyewitness suggestibility effect*.
- Elizabeth Nilsen (1999), UVic honours thesis, *The accuracy-confidence correlation in person identification: Using external ratings of confidence and varied conditions*.

Deborah Connolly (1996), UVic PhD thesis, *Influence of postevent misinformation on children's reports of a unique event versus an instance of a repeated event.*

Vincenza Gruppuso (1995), UVic MA thesis, *The process dissociation procedure and similarity: Defining and estimating recollection and familiarity in recognition memory.*

Karina M. Vanstone (1994), UVic honours thesis, *Eyewitness accuracy and confidence: Is there a correlation?*

Cheryl A. Nelson (1994), UVic honours thesis, *Autobiographical memory errors for childhood events: An exploratory survey.*

Amy Dworsky (1990), Williams College honors thesis, *Eyewitness suggestibility.*

Paul Kwon (1990), Williams College honors thesis, *Developmental differences in discriminating between memories: Implications for children's eyewitness testimony.*

Sarah A. Holland (1989), Williams College honors thesis, *Memory illusions: The effect of the present on the past.* (Co-supervised with Colleen M. Kelley.)

Robin H. Faigeles (1989), Williams College honors thesis, *Mood upon mood: Studies in autobiographical memory.*
