

TEACHING EXPERIENCE

As the Outreach Program Coordinator for the University of Victoria's (UVic) student chapter of the Association for Women in Math, I organize and run IMAGINING UVic: a summer camp and seminar series for high school girls. I have run math clubs at two local schools, where I delivered lessons introducing new mathematical concepts and helped students develop problem solving techniques and mathematical intuition. I was a volunteer math classroom assistant at a local high school. I worked as a teaching assistant at UVic, both in the online Math and Stats Assistance Centre, tutoring first and second year undergraduate students in various math courses, and as a tutorial instructor for a first year calculus course. I taught a week of lectures for a first year math course and one lecture for a third year math course at UVic. While I was a mentor for UVic masters students, I produced an educational resource on the use of LaTeX for writing math papers. I am a certified climbing gym instructor (level I and II), and have worked for School District 63 as a climbing academy coach (instructing large groups of high school students), and for the Boulders Climbing Gym as both a summer camp leader and an introductory belay instructor.

EDUCATION & RESEARCH EXPERIENCE

I obtained an MSc in Mathematics under the supervision of Natasha Morrison and Kieka Mynhardt in 2023, and a BSc Honours in Mathematics in 2021, both from UVic. I have two papers published in peer-reviewed mathematical journals, and have given presentations at various conferences and seminars, such as the Women in Combinatorics Virtual Colloquium and the Pacific Rim Mathematical Association Congress.

FELLOWSHIPS AND AWARDS

Vanier Canada Graduate Scholarship (NSERC)	2023/09 - 2026/08
UVic President's Research Scholarship	2023/09 - 2024/04
JJEM Graduate Award in Mathematics & Statistics	2022/09 - 2023/08
David McGillivray Scholarship in Science	2022/09 - 2023/08
Canada Graduate Scholarship - Master's Program (CGS-M)	2021/09 - 2022/08
UVic President's Research Scholarship	2021/09 - 2021/04
NSERC Undergraduate Student Research Award (USRA)	2021/05 - 2021/08
CMS-RBC Excellence Scholarship	2021/05
UVic President's Scholarship	2020/08
Stephen A. Jennings Memorial Scholarship	2020/07
UVic Mathematics and Statistics Scholarship	2020/07
NSERC Undergraduate Student Research Award (USRA) - Declined	2020/05 - 2020/08
Boehm Family Award for Excellence in Science (3rd place prize)	2020/03
Jamie Cassels Undergraduate Research Award (JCURA)	2019/09 - 2020/04
Stephen A. Jennings Memorial Scholarship	2019/07
UVic Faculty of Science Undergraduate Research Award (SURA)	2019/05 - 2019/08
UVic Science Dean's List	2016/09 - 2021/04
UVic Excellence Scholarship	2016/09 - 2020/04
District Authority Award Scholarship for Community Service	2016/06
Governor General Academic Bronze Medal	2016/06
Graduation Program Examinations Scholarship (Top 20 students in BC)	2016/06
UVic Excellence in Math Scholarship	2016/06
Joy Paquin Memorial Scholarship	2016/06
District Education Scholarship	2016/06
